

Curriculum Vitae
Peter Shin Kay, MD

Personal Identification

Date of birth: 22 May 1961
Place of birth: Washington, DC
Citizenship: USA
Business address: Eugene Gastroenterology Consultants, PC
3355 RiverBend Drive, Suite 500
Springfield, OR 97477-8800
Business phone: 541-868-9500

Educational Experiences

Fellowship: Stanford University Medical Center
Department of Medicine
Stanford, California
Gastroenterology, 1994-1997
Board Certification Gastroenterology 1997

Residency: Stanford University Medical Center
Department of Internal Medicine
Stanford, California
June 1992-1994

Internship: Stanford University Medical Center
Stanford, California
Department of Internal Medicine
1991-1992

Medical school: University of Chicago
Pritzker School of Medicine
Chicago, Illinois
1987-1991
MD June 1991

Undergraduate: University of California
San Diego, California
Premedical Requirements
1984-1985
University of California
San Diego, California
Scripps Institution of Oceanography
1983-1984

Undergraduate continued: Columbia University
New York, New York
BA Chemistry January 1983

High school: Phillips Exeter Academy
Exeter, New Hampshire

Professional Certification

1997 – Present Diplomate, Board in Gastroenterology

Medical Licensure

1997 – Present State of Oregon 20376

Clinical Practice

1997 – Present Eugene Gastroenterology Consultants, PC
3355 RiverBend Drive, Suite 500
Springfield, OR 97477-8800

Professional Memberships and Societies

American College of Gastroenterology
American Society for Gastrointestinal Endoscopy
Crohn's & Colitis Foundation

Honors/Awards

First Year GI Fellow Commendation Award, Stanford University Hospital, 1995
Cum laude, Columbia University, 1983
Camille Dreyfus Chemistry Research Fellowship University of Chicago, 1982

Publications

Kay PS, Keefe EB. Chapter: Cardiac Disease and the Liver. In: The Liver and Systemic Disease. Editor: Gitlin N. London, United Kingdom, Churchill Livingstone, 1997.

Kay PS, Egbert B, Triadafilopoulos G. Antral nodules, intestinal metaplasia and *Helicobacter pylori* infection: endoscopic and histopathologic correlations. (Abstract) Gastroenterology 1996;110 (4):A152

Kay PS, Soetikno RM, Mindelzun R, Young HS. Diffuse esophageal glycogenic acanthosis: an endoscopic marker of Cowden's disease, Am Journal of Gastroenterology 1997, 92 (6):1038-1040.

Kay PS, Hancock EW. Continuing Medical Education: Patient Management Problem Section – Hepatitis C. Scientific American, 1995.

Kay PS, Menzel P, Inoue T. Two guanosine binding sites exist in group I self-splicing IVSA RNAs. *The EMBO Journal* 1988;7 (11):3531-3537.

Kay PS, Inoue T. Implications of intermolecularly catalyzed reactions by the *Tetrahymena* ribozyme. *Cold Spring Harbor Symp. Quant. Biology* 1987;52: 159-164.

Kay PS, Inoue T. Catalysis of splicing-related reactions between dinucleotides by a ribozyme. *Nature* 1987; 327:343-346.

Kay PS, Inoue T. Reactivity of Modified Ribose Moieties of Guanosine: New cleavage reactions mediated by the IVS of *Tetrahymena* precursor rRNA *Nucleic Acids Research* 1987;15(4);1559-1577.

Goldberg E, Hodge V, Kay PS, Stallard M, Koide M. Some comparative chemistries of platinum and iridium. *Applied Geochemistry* 1986.

Kay PS, Faulkner JD. Minor metabolites of the sacoglossan, *Tridachiella diomedea*. *Chilean Society of Chemistry* 1984;28(3):329-332.

Lectures and Presentations

Irritable Bowel Syndrome. Nurse Practitioners Association.
Eugene, Oregon, June 2000.

Irritable Bowel Syndrome. Sacred Heart Medicine Grand Rounds.
Eugene, Oregon, June 2000.

Irritable Bowel Syndrome. Peace Harbor Hospital Medicine Grand Rounds.
Florence, Oregon, June 2000.

Irritable Bowel Syndrome. Primary Care Conference.
Eugene, Oregon, June 2000.

Co-Director, Topics in Gastrointestinal Cancers, Sacred Heart Medical Center,
Eugene, Oregon, September 1998.

Endoscopic Ultrasound. Mid-Willamette Chapter of American Association for
Medical Transcription.
Salem, Oregon March 1998.

Hepatocellular carcinoma in the Asian population: Screening programs and
nonsurgical treatment options. Asian Liver Symposium.

San Jose, California, September 1996.

Hepatitis C. Department of Medicine Noon Lecture.

Santa Clara Valley Medical Center.
San Jose, California, August 1994.

Research Experience

The Salk Institute for Biological Studies, La Jolla, California
Nucleotide Chemistry Laboratory, Dr. Tan Inoue.
Mechanism of self-splicing RNAs; 1985-1988.

UCSD, Scripps Institution of Oceanography, La Jolla, California.
Marine Chemistry Department, Dr. D. John Faulkner.
Marine chemistries of platinum and iridium; 1984-1985.

UCSD, Scripps Institution of Oceanography, La Jolla, California
Marine Chemistry Department. Dr. John Faulkner.
Marine natural products chemistry; 1983-1984.

University of Chicago, Chicago Illinois.
Physical Chemistry Department, Dr. Don Levy.
Super cooled spectroscopy of macromolecules; 1982.

Hospital Appointments

Sacred Heart Medical Center - RiverBend, Springfield, OR
Active staff member with full privileges
2008 to present.

Sacred Heart Medical Center – University, Eugene, OR
Educational Staff
1997 to present.

Hobbies and Interests

Fishing, hiking, snorkeling, volleyball, basketball, soccer, cooking and antique collecting.

March, 2009
